Dear Friends,

### **SCAM TARGETING MEDICARE/MEDICAID BENEFICIARIES**

I want to share with you a press release from the Attorney General of Maryland regarding the latest scam targeting Medicare and Medicaid beneficiaries. Please see [the details here](#) and as always, exercise caution when conducting business by phone.

### **HELPFUL INSURANCE VIDEOS**

I recently learned of the **Maryland Insurance Administration's Youtube channel** which is a wealth of information on all types of insurance, including health, auto, home, life and others. In addition to providing information, the videos will walk you through what to do if you disagree with a claim or denial, filing a claim, what to look for when purchasing, among other helpful tips. To see the entire list of videos, [click here](#).

### **SENIOR RESOURCE GUIDE**

Also, in an effort to expand and create a more comprehensive resource directory of information and referral services for older adults and individuals with disabilities, the Prince George's County, Department of Family Services, Aging and Disabilities Resource Center (ADRC) has partnered with the Prince George's County Provider Network to announce the [2019 Senior Resource Guide](#). The guide will serve as a reference tool, including a listing of services provided by county agencies, businesses and non-profits serving older adults. The Senior Resource Guide includes:

- A Senior Transportation Guide
- A Listing of Subsidized, Affordable Senior Housing
- An Overview of Senior Programs and Services
- A Listing of Support Groups
- Recreational Opportunities, and more

You can find the [guide online here](#). For more information about
